The Tuckfield Tuck

Kylee Tuckfield may not have invented a new dive today, but her last dive embodied the spirit of this year's new heroes for the Utah Summer Games. Kylee stands a full 39 inches tall, weighs a perfect 31 pounds, and used every ounce of herself to gain her USG Medal. Her last dive was so captivating it has been christened "The Tuckfield Tuck." Kylee is 4 years old, and when asked what she thought of diving and the Utah Summer Games, all that was heard was a "giggle, giggle, giggle." Kylee is a new hero.
